

**REMARKS**

The above amendments to the specification are being presented at this time to identify as Figures 3 through 13 the series of eleven (11) drawings originally identified as Figure 3. The amendments are consistent with the drawings being submitted with a Substitute Drawing Request filed herewith, in which the series of eleven (11) drawings originally filed as Figure 3 are now labeled as Figures 3 through 13.

Applicant believes his application is now in better condition for examination, which Applicant respectfully requests.

Should there be any questions with respect to any matter now of record, Applicant's representative may be reached at (219) 462-4999.

Respectfully submitted,

By
